

## You and Me Bears

These bears are given to children in the hospital to share with a parent or sibling during times they may have to be apart. They are a simple reminder of the love they share.

Card reads:

*A cuddly bear to keep us close  
At night time when I miss you most  
One for me and one for you  
Filled with Hugs and Kisses too.  
XXOO*

This is a new program we are launching so please consider sponsoring a set of bears for \$25 and brighten the day of a child battling cancer.
