WHAT YOUR SPONSORSHIP CAN DO

\$15,000 level

Your \$15,000 sponsorship will ensure the mission of Maureen's Hope not only continues, but initiates and funds new programs for patients and families. In 2022, we began offering retreats for mothers/caretakers of children diagnosed with cancer, as well as a bereaved mom's retreat. We continually look and reevaluate where there is a need and where we need to fill a gap. A cancer diagnosis is isolating not only for a patient, but for their caregiver. Our retreats not only connect moms with others that understand their journey, it gives them time to pause, reset and fill their vessel in a safe space. We bring in professionals to teach and encourage new practices to help alleviate stress/anxiety such as meditation, breathwork, yoga and journaling.

\$10,000 level

A \$10,000 sponsorship will help fund the Beads of Courage program for one year at Upstate Golisano Childrens Hospital, Crouse Hospital NICU and the Joslin Diabetes Center for various pediatric patient populations. The program is in place for pediatric hematology/oncology, cystic fibrosis, burn unit, neonatal intensive care and diabetes patients. This endeavor is a tangible way for children battling cancer to record, share and tell their story with each bead representing a different treatment milestone. The colorful beads are meaningful symbols of courage and facilitated by the nursing and child life staff.

\$5,000 level

Your \$5,000 sponsorship will help fund our beloved Spa Day for Moms of Cancer Warriors. Maureen's Hope takes approximately twenty five moms that have children battling cancer to the Skana Spa at the Turning Stone Resort for a day of connection and pampering. Lifelong friendships are formed with other moms that understand their journey and they arrive home to their families refreshed and carrying a lighter, more hopeful heart.

\$2,500 level

Your \$2,500 sponsorship will support our patient care packages given to men and women that receive a cancer diagnosis. These gift boxes include a book, journal, inspirational bracelet, prayer book, believe stone and daily messages. Depending on the personal needs of a patient/family, we may include a gift card for groceries, a cleaning service or whatever their specific need might be. Many patients facing life altering disease have needs that cannot be met by the medical community. Everyone's needs are different and we cater to those personal needs. Your support ensures their needs will be fulfilled.
